Notes :

- The divisions for the race as per the results attached were – Division 1 Monohull , Division 1 Classic Monohull , Division 2 Monohull , Division 3 Multihull
- The boats were allocated into Monohull PHRF , Monohull Classic Division PHRF or Multihull PHRF as per the individual boats nominated division on the entry form submitted.
- Division 1 and Division 1 Classic were combined into the 1 start and both sailed the short course.
- There was no specific criteria within the Notice of Race regarding eligibility for the Classic Division. I assessed the entries that nominated for the division based on approximate age date and available information and deemed them eligible as nominated.
- I apologise for the ambiguity in the division allocation document where I showed all Division 1 and Division 1 Classic within the one section.
- There was no intent that those boats were entered in more than one division for the race as there was no provision for multiple division entry in the Notice of Race or entry form.
- There was an error in the published divisions sheet that did not indicate that Inter-port Skimmer was to be included in the Classic Division. This error was rectified in the actual results.
